

NATAL ATTRACTION

It seems like the only celebrities not up the duff these days are the Duffs, but there's a lot of procreating going on in the real world, too. A *Book About Me*

Me enables parents to record significant milestones but also add or remove pages. There's even a special section for adoptees. (Buy in bulk for Brad and Angelina.)

**From Kikki K stores or see
milestonepress.com.au.**
