

## A baby book for the modern family

The contemporary Australian family can take many different shapes and forms, not just the stereotypical nuclear variety. This new baby book,

*A Book About Me*, allows families to create a record that celebrates the arrival of a brand new member, with pages that can be added or removed to reflect your family's structure. Also included are pages to record baby's milestones and precious mementos. Gender neutral, *A Book About Me* makes an ideal gift for a new or expectant parent. Retailing for \$44.95, it is available nationally. Check it out at [www.milestone.press.com.au](http://www.milestone.press.com.au)
